Warrant

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Wentworth Location in the County of Coos in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the schoolhouse in said Wentworth Location on Tuesday, the 11th day of March, next, at nine of the clock in the forenoon to act upon the following subjects:

1. To choose all necessary Town officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see if the town will vote to accept state aid for highways and raise and appropriate the money required for the same.
4. To see if the town will vote to authorize the Selectment to borrow money in anticipation of taxes.
5. To see what sum of money the town will vote to raise for town maintenance.
6. To see what sum of money the town will vote to raise for water system.
7. To see if the town will vote to raise and appropriate the sum of \$14 to the White Mountains Region Association.

8. To see if the town will vote to take whatever steps may be necessary for the disorganization of the same.
9. To transact any other business that may legally come before the meeting.

Given under our hands and seal this 4th day of February, in the year of our Lord nineteen hundred and forty-seven.

REPORT OF THE WHITE MOUNTAINS

REGION ASSOCIATION

To the Voters of Wentworth Location.

Your region association submits the following report for the year 1946:

Every town (46) contributed toward the support of association work. Some of the projects which these funds enabled the association to aid or accomplish were:

Locating a shoe-stitching plant in Lisbon employing 75 or more.

Locating a regional grocery warehouse in North Haverhill, nearing completion, to employ 50 persons and a large trailer-truck fleet.

Continuing Mountaineer summer rail service; fast through New York week-day service; week-end sleeper service; improved winter service.

Continuing prize contest for 4-H clubs and members to encourage young farmers.

Inaugurating prize meet for high school ski teams to encourage outdoor winter sports.

Assisting national ski races held at Franconia.

Continuing annual Ragweed Elimination campaign.

Surveying region vocational education needs and making recommendations to state commission.

Sending Real Estate prospect bulletins to agents and owners to promote sales; organizing region Real Estate Board.

Conferring with boards of trade to assist on local problems.

Holding sectional meetings with councilmen and selectmen to discover means to assist.

Securing assistance of state and national officials on region and town problems.

Cooperating with State Forestry and Recreation Commission to make plans for general regional development.

Cooperating with State Aeronautics Commission to insure region ports and service.

Representing region interests at conferences on industry, community welfare, winter sports, vacation, business, etc.

Cooperating with State and New England agencies to secure data on accommodations, developments, etc.

Furnishing material and pictures for many stories in newspapers and magazines, data to schools, departments etc., and cuts for use in town promotional material.

Printing and distributing 20,000 summer booklets and 20,000 winter folders, listing accommodations in all towns; distributing 10,000 fishing-hunting folders with sporting camps, laws, pictures, etc., and attending three shows to answer inquiries; arranging publication

of 100,000 general 4-season pictorial folders listing all towns; distributing 2500 health folders; as well as several thousand pieces of other material.

Your association, with your help, can and will continue to do its utmost to promote along all lines the welfare of the region and its towns.

WHITE MOUNTAINS REGION ASSN.

HELP YOUR FOREST FIRE WARDEN PREVENT

FIRES—IT PAYS!

Prevention is one of the most important phases of all fire effort. This is particularly true of forest fire control work. Preventing forest fires preserves valuable forest growth and other property, conserves man power and permits their use in productive channels, saves taxpayers' money and conserves fire fighting equipment.

The prevention of forest fires is the most important and difficult part of the work of your forest fire warden who heads a local organization set up primarily for the security of your community's forest property. Appointed by the State Forester, upon recommendation of the Selectmen, he is charged by law with the responsibility of local administration of forest fire laws, fire prevention and suppression. In his work he is aided by deputy forest fire wardens who, in emergency, may assume his power and authority. The warden is guided in his work by instructions received from the State Forester and by the District Fire Chief who represents the State Forester.

The importance and value of the work of the forest fire warden and his deputies is, perhaps, best appreciated during hazardous periods when fire danger

is greatest. The public, however, looks to him at all times for speedy and economical suppression of going fires.

To properly fulfill his mission, the warden needs the generous and understanding cooperation of the public at large. He attempts to secure this cooperation by the posting of caution notices, news items and by word of mouth, always carefully explaining the necessity of restrictions imposed. In the matter of giving cooperation, however, the public often fails. The record shows that an average of 7,300 acres of woodland are burned over by forest fires in New Hampshire each year. Analysis of fire causes reveal the fact that more than 98 percent of all forest fires are, consistently, the result of human carelessness and are preventable.

The careless smoker fails to properly extinguish his cigar, cigarette or pipe ashes or thoughtlessly throws them from the car window; the debris burner fails or refuses to consult the warden, as the law requires when the ground is not covered with snow, before attempting to burn; campers fail to properly extinguish their fires or frequently build fires when conditions are unfavorable.

The elimination of human causes from the forest fire problem is the answer. This is not as difficult of accomplishment as it might appear at first glance. Let each one who reads this—

1. Use ordinary common sense with fire in and near woodland.
2. Comply with requirements on the use of fire in and near woodland and when the ground is not covered with snow, secure written permission to burn from the forest fire warden.
3. Be careful when smoking in or near woodlands. Don't throw lighted material from moving vehicles.

4. Cooperate with and assist the warden and urge others to do so.
5. **HELP YOUR FOREST FIRE WARDEN PREVENT FIRES**—his efforts are only as effective as is the cooperation you give him!

SUPERINTENDENT'S REPORT

To the School Board and Citizens of Wentworth Location:

I hereby respectfully submit my first report of the Wentworth Location School District.

There are 13 children attending the Errol Central School this year. These children are transported and

their tuition paid at District expense and are receiving the benefits of the individual instruction that can be offered at a school of this type. There are also two pupils receiving their high school education in the Berlin schools, their tuition and \$10.00 per week board for each pupil, paid by the District.

In looking over the financial condition of the school district for this year, the Superintendent found that insufficient funds were raised last year to cover current expenses. This was caused through no oversight on the part of the former superintendent, but due principally to the reduction in State Aid and the increased cost of transportation and board allotments.

A tabulated explanation follows:

Item	1946-47 Appropriation		
	Amount Approp.	Actual Cost	Deficit
Supt't Salary	\$ 60.26	90.26	30.00
Transportation and Board	1,780.00	2,000.00	220.00
Elementary Tuition	850.00	896.00	46.00
High School Tuition	225.00	240.00	15.00
Due from State	1,513.11	rec 897.83	615.28

Deficit for this school year			\$926.28
------------------------------	--	--	----------

In October, 1946, an estimate was made by the superintendent as to the current costs and it was found that our known actual costs amounted to \$3,371.26 with a known income of \$2,436.13, which will leave a deficit of \$935.14 to be raised in addition to the estimated appropriation. An article for this purpose appears in the School Warrant.

Care should be taken in these trying times to look well into the community's ability to pay and their known expenses so that no undue burden will come in large measure in any one year.

Respectfully submitted

L. MUNRO GRANDY
